## BHOOMI POOJA of Sri Sathya Sai Divyaamritam

One of the key pillars of Bhagawan Sri Sathya Sai Baba's Mission is 'Vaidya' – free healthcare. Swami has established a large number of hospitals across the country ensuring free and high quality healthcare becomes a basic right to one and all. In those lines, Swami made a grand declaration for building a cancer hospital.

On the occasion of the 96th Birthday of Bhagawan Sri Sathya Sai Baba, November 23rd, Swami, in the presence of dignitaries including Sri Indukuri Raghu Raju, YSRCP State Secretary and District Badminton Association Chairman, performed the Bhoomi Pooja of '**Sri Sathya Sai Divyaamritam**' – a hospital that would provide free treatment and world class research facility for cancer related ailments. The goal of the hospital is to ensure zero death rate and complete recovery. The 5-acre land in Vizianagaram near Thatipudi reservoir that will house the hospital will also comprise a free dialysis center.

## GRAMA SEVA

Swami's Birthday Celebrations have always been celebrated with innumerable number of service activities that brings succour and happiness to thousands of people. Grama Seva, which Swami aptly puts as 'Grama Seva is Rama Seva', is an indispensable element of seva on His Birthday.

This year, marking His 96th Birthday, 96 poor families, struggling to make their ends meet, received the gift of Swami's Prasadam in the form of dry grocery and new dresses.

## DIVYA PRASADA SEVA

Divya Prasada Seva refers to feeding the needy and homeless especially during the night, to ensure no one goes to sleep on an empty stomach. The food prepared is pure as the Divine Naivedhyam that is distributed to the beneficiaries as Divya Prasadam, thereby ensuring Bhagawan's Grace to the beneficiaries.

This service activity of feeding these needy people has now been ongoing for the 77 days continuously. This will continue to be served everyday with the Blessings of Bhagawan Baba.

## Restoration of dilapidated Hanuman Temple

As much as service activities for mankind's welfare are developing at a grand scale such as Divya Prasad-am Seva (daily nutrition), Vidya (Education Scholarships), Vaidya (Cancer hospital and mobile van clinics), Divine Housing for the needy, Water (providing potable water) etc., Swami has likewise been very specific about ensuring spiritual restoration of the place to ensure a divine and peaceful environment.

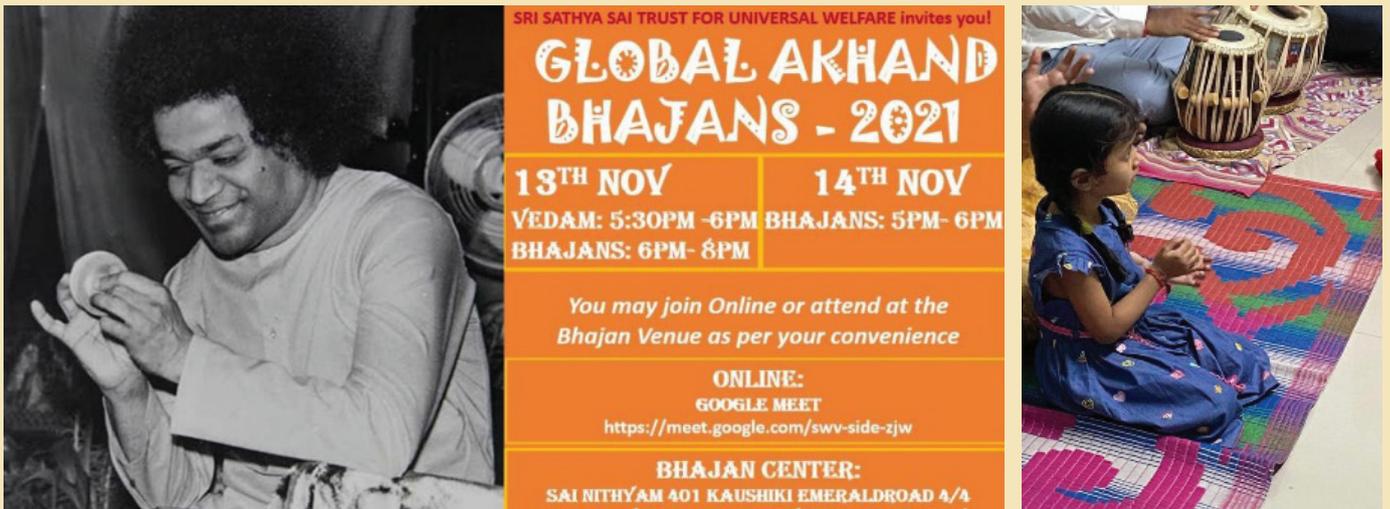

Like in the Shirdi Avatar where Swami had restored many temples from their dilapidated state, Swami now has restored the old decrepit temple of Lord Anjaneya the great Servant of Lord Rama. May Lord Hanuman bless all with the strength to work in Swami's Mission for Universal Welfare.

## Global Akhanda Bhajans

The month of November, the festive month of the birthday of Bhagawan Sri Sathya Sai Baba, brings with it a host of wonderful service projects and cultural and spiritual events. The Global Akhanda Bhajans was started way back in 1946 in Bangalore at a devotee's residence under the Divine Command of Swami. Now almost every country in the world has Sai Centers conducting the 24-hour bhajan to bring peace and prosperity to everyone in the world.

With Swami's Blessings, the programme which was conducted at Sai Nithyam in Hyderabad, started with Vedam on Day 1 followed by the akhanda bhajans programme. The Global Akhanda Bhajans were conducted in both online and offline formats with devotees across the world joining in virtually.
