THUS SPAKE THE LORD

See God in every one you meet; see God in every thing you handle. Live together, revere each other, let not the seeds of envy and hate grow and choke the clear stream of Love.

- Bhagawan Sri Sathya Sai Baba

A NOTE FROM THE SECRETARY

Dear Patron,

Where there is a will, there is a way! Sri Sathya Sai Trust For Universal Welfare, guided by Bhagawan Baba to bring about rural transformation and development, has been devising ways to reach needy beneficiaries in more nooks and corners. A case in point is the recent outreach to the needy village with an e-library to bridge the knowledge and digital gap amongst youth (thereby making the youth productive). This apart, the village also would no more have to reel under the scarcity of drinking water, with the launch of the drinking water RO plant through the scheme of Divya Jalam.

Dear well-wisher, the day is not far, when, with all our unity and concerted efforts, our nation's villages will flourish and become developed centers fueling the nation's growth!

We thank you and look forward to your continued support and encouragement!

With Love,

Dr. Kalyan Sarvepalli
Secretary and Trustee

RURAL WELFARE PROGRAMMES

SRI SATHYA SAI DIVYA GRANDHALAYAM

SRI SATHYA SAI DIVYA JALAM

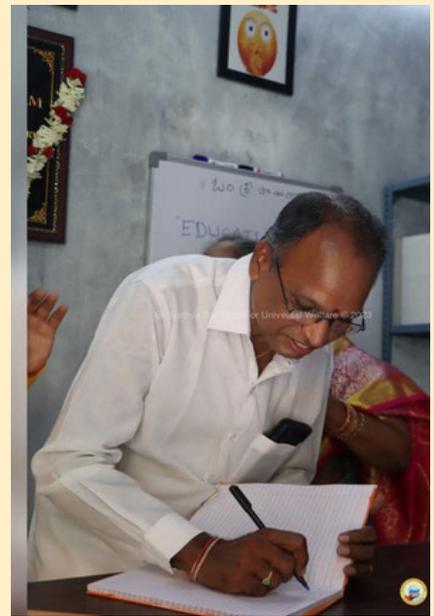

In a twin-objective move to quench the thirst for water and knowledge, Sri Sathya Sai Trust For Universal Welfare dedicated and offered the Sri Sathya Sai Divya Jalam (RO Water plant project) and the Sri Sathya Sai Divya Grandhalayam (e-Library) to the village of Gangubudi in Lakkavarapukota mandal in Vizianagaram district.

The village of Gangubudi woke up to what would be a red letter day, on 24th April. The day witnessed the Dedication of key rural uplift programmes for the needy beneficiaries in Gangubudi Village in the presence of dignitaries like honourable MLA Sri K Srinivasa Rao garu along with the ZPP

With the launch of the E-Library that will bridge the gap of knowledge, the children and youth of the rural areas will not be left behind anymore. More importantly, their time will be put to a productive use.

And, the parched hot summer will no longer cause a paucity in drinking water with the launch of the RO water facility. The villagers will now have daily access to clean drinking water, which was earlier not easily accessible.

UNITED AGAINST CANCER!

Doctors from Maharajah Institute of Medical Sciences visited the entirely free-of-cost cancer treatment facility Sri Sathya Sai Divyaamritam (where currently the OPD is active) to understand the model and exchange ideas. They were inspired by the selfless efforts of the Divyaamritam team.

We are sure that more and more selfless and like-minded individuals and institutions will join this mammoth cause!

DIVYA PRASADA SEVA

NIGHT HUNGER ALLEVIATION

Divya Prasada Seva, started on the divine command of Bhagawan Baba, aims to alleviate night hunger, as food is not accessible to the needy during nights.

The seva, that happens non stop every night, not only intends to satiate the hunger of the needy, but also encourages them to think beyond food thereby encouraging them to take up tasks that may strengthen the chance of earning their livelihood.

Over 150 Madhukaris (beneficiaries) benefit from this loving seva.

*It's time we resolve and commit ourselves once
again to bring smiles and happiness
in the lives of the needy*
