# Let's Gift a life

Gift a portable Dialysis machine

Sai Soukhyam, a chain of free-of-cost dialysis Centers, has dedicated dialysis facilities for needy patients at zero cost to the beneficiaries. Our centers are driven by the noble motto of alleviating the suffering of needy dialysis patients.

While Hemodialysis machines are barely sufficient to meet the growing demand across our country, we also have the responsibility to serve needy critically ill patients who cannot be mobilized to the Dialysis centers for their procedures regularly. Hence there is a strong growing need for procuring portable dialysis machines to help such needy patients. Your support for this cause will be very much appreciated at this juncture.

## THUS SPAKE THE LORD

Calendar makers calculate the years and declare that this day is New Years Day. But lapse of time is to be calculated in proportion to the work accomplished, rather than the revolution of our earth around the sun. For each individual, there is a New Year Day, a day that marks the completion of his revolution round the sun, that is to say, the awakened effulgent intelligence, capable of conferring on him discrimination and detachment.

- Bhagawan Sri Sathya Sai Baba

# SRI SATHYA SAI DIVYA SPARSHA

SPREADING WARMTH OF LOVE THROUGH BLANKET DISTRIBUTION

True concern and love for fellow beings lead to selfless actions. The reward for love is love itself. In order to help the needy beat the chill winter, the trust, through the blanket drive 'Sri Sathya Sai Divya Sparsha', has been reaching out to an overall of 2000+ families. The blankets drive was inaugurated during Bhagawan Baba's 98th Birthday on November 23rd.

All the 2000+ blankets were distributed to the most needy scattered across 56 tribal and needy villages spanning the 3 districts of Vizianagaram district, Alluri Sitaramaraju district, and Anakapalli district.

What was deeply satisfying was to receive heartfelt love and gratitude from each of these 2000 beneficiaries. The beneficiaries had assumed they were left to fend for themselves, but the loving Lord ensured that His army of loving volunteers and devotees reached out to their needy brothers and sisters staying in remote locations. Some were located high up in hilly terrains, some in remote forest locations and so on. However, Swami's Love cannot be bound by physical limitations as the volunteers enjoyed trekking, jumping and crossing all hurdles to reach the needy.

Upon receiving the blankets, the beneficiaries across all these villages expressed gratitude for the blankets that would protect them from the cold, but they were much more grateful that they now have the Lord's Sight fallen on them and that they are under His divine protection. The volunteers lent their ears to the beneficiaries and realised the challenging situations they were all in- with each having their own pain and struggle. The Lord's love acted as a balm to their pains!

We thank all the patrons, volunteers and the various teams involved for diligently reaching out to the 2000+ needy through the 'Sri Sathya Sai Divya Sparsha'.

# CHRISTMAS DAY CELEBRATIONS

The holy day of Christmas, marking the birth of Jesus Christ, was celebrated with happiness and cheer in Sri Sathya Sai Divyaamritam.

The day's activities started with service activities like Blankets distribution alongside a medical camp benefitting over a 100 needy. The celebration mode started with some cheerful songs and plays related to Christmas. Some nearby residents as well as inmates of Sri Sai Pale along with Sai Prema students described Swami's eternal quotations that were further explained in detail by Balavikas gurus.

Swami delivered His Divine Discourse on the occasion of Christmas. He said 'The Christ declared that He was even before Abraham!' and that Lord Sri Krishna said “Not that these, you or I, were not before, are not now, nor will not be hereafter. Nothing was born, nothing was dead, nor will it not be so hereafter”. Swami explained the simple truth that Jesus Christ has conveyed, which was “The Kingdom of Heaven is within You”.

The day was blessed with moments of bliss by the celebrations of pure hearted young children with their Lord!

# FREE RURAL MEDICAL SERVICES

While 52 women used the services of the gynecologist, 36 patients consulted the dentist. 36 used Advanced consultations like oncology. 76 were screened for ophthalmology, where 48 will be provided with Spectacles and 9 were referred for cataract surgery. This apart, there were 9 dental extractions and 4 fillings conducted. About 88 used the services of the orthopaedic. Medicines prescribed were provided free of cost to the beneficiaries.

We express our heartfelt thanks to our CSR partner GIC Housing Finance Ltd, the team of doctors and our volunteer team for the noble task of taking healthcare and screening available to remote rural areas.

# **GIFT A LIFE GIFT A HEALTHATM OR A DIALYSIS MACHINE!**

As we are performing scores of free-of-cost dialysis procedures everyday in our free-of-cost dialysis centres Sai Soukhyam , we are now seeing a growing need for mobile or portable dialysis units for many needy patients who find it very difficult to come to the dialysis center.

This apart, we have also set up 'Sai Sukshemam', an elaborate health ATM, that caters to needy by practically bringing to the villages a healthcare center with sophisticated health screenings and reports, virtual doctor consultations etc.

We are looking forward to partner to help the needy that are unable to come to the dialysis centers by gifting them a portable dialysis machine, and/or healthATMs for the remote rural needy.

May we, together, bring happiness and relief in the lives of the needy and their families!

*It's time we resolve and commit ourselves once again to bring smiles and happiness in the lives of the needy*
