## THUS SPAKE THE LORD

What is the significance of Guru Poornima? Guru is one who illumines the path to divinity. Poornima stands for the cool full-moonlight. Full moon stands for a mind with total illumination and purity. Even if there is a trace of blemish in the mind, it will lead to darkness. It cannot give you total bliss.

Embodiments of Love! Let your mind be filled with the radiance of divine love. Acquiring mere textual knowledge is of no avail. What you have studied is only a fraction of the total knowledge. Yet you feel proud about it. Your worldly education is insignificant compared to divine wisdom. You cannot attain God with your education, power and wealth. He is accessible by Love and Love alone. You can experience Him only when you develop Love. Devotion means to Love God wholeheartedly.

- Bhagawan Sri Sathya Sai Baba

# A NOTE FROM THE SECRETARY

Dear Selfless Friends,

The month of July was filled with activity for the trust. We had our First Annual Meet at a business hotel in Hyderabad that was well attended by achievers in various fields along with social champions.

GuruPoornima was celebrated with joy and fanfare. A medical camp that was wonderfully supported by the District Collector (Yadadri Bhuvanagiri in Telangana) and the expertise from AIIMS Bibinagar helped over 190 needy people with medical screening and follow-up.

A youth empowerment workshop was arranged at a grand scale to capture the minds of the adolescents and young adults towards building a prosperous society.

We had our new trust office inaugurated at Hyderabad. With the activities set to spiral up to reach out to more and more needy, this office's inauguration has come at the right time to support and enable these activities.

We all would certainly be grateful for leading a fairly comfortable life with all basic essential needs well covered.

It is time for us to resolve to help our needy brothers and sisters to also raise up in their standards of living and alleviate their suffering. Let us be humble instruments in the hands of God in this noble mission of 'Serving the Needy'.

I take this opportunity to thank you all for your tremendous support and love!

With Love,

Dr. Kalyan Sarvepalli  
Secretary and Trustee

# SAI SANATHA SEVA

*Divine Service*

Sanatha means God is the one who is the real Natha for everyone and as such no one should feel that they are orphans just because they have no parents who gave them the birth, guardians or caretakers. Today in Gajuwaka area in Visakhapatnam, under the Sai Sanatha Seva area, 9 madhukaris, who could not afford to take care of themselves, were given a facelift by grooming them neatly.

They were given a neat bath using Dettol water, soaps and scrubs. Their hair and beard were trimmed, and new dresses were given to give them a neat look.

Divya prasadam along with a juice packet was served to them. This apart, they were provided with necessary skin ointments etc. to ensure their existing wounds are healed soon.

We thank the 10 volunteers for their selfless service in bringing smiles and gifting the Madhukaris with a new spirit of self spirit.

# **DIVYA PRASADA SEVA**

## **(NIGHT HUNGER ALLEVIATION)**

It is unimaginable to have a peaceful day without access to good food. 150+ Madhukaris (needy beneficiaries) now have access to dinner meals everyday through Divya Prasada Seva.

More than 300 days have been completed since the inauguration of the Divya Prasada Seva, where the main intent is to ensure that no one goes to sleep hungry.

We thank all our patrons, well-wishers, donors and volunteers for their selfless support to this seva.

# SWAYAM PAKA SEVA

In order to help needy families lead respectable lives and motivate them to look for improved livelihood, Sri Sathya Sai Trust For Universal Welfare supports various needy families by serving them through 'Sai Swayampaka Seva'. Under this initiative, the trust supports them with monthly groceries, to enable them to cook quality food as per their convenience and desired quantity. This makes the needy families overcome the need to reach out everyday for food, and instead helps them plan a livelihood now that they are assured of food grains for a month. This month, 24 needy families across various areas in Visakhapatnam and Vizianagaram benefitted from the seva. The beneficiaries include a family whose breadwinner is no more and the children are physically challenged, some migrated labourers without ration cards and no access to government aid, those whose family elders have medical problems, needy single parents etc.

Apart from this, there were 9 more needy families in Siddipet in Telangana that benefitted from the Swayam Paka Seva.
