THUS SPAKE THE LORD

Man is born so as not to be born again! It is natural for one to go back to one's origin, the Eternal Truth. However, unmindful of the very purpose of one's life Man deludes himself and strives to derive everlasting joy through worldly possessions, sensory pleasures, riches, fame, name, power and positions only to find himself disappointed and dissatisfied with the ephemeral joy derived therefrom. It's only by realisation of the Divine Consciousness that it becomes possible for Man to experience the Supreme Bliss! Krushitho naasti durbiksham! It's imperative, therefore, for Man to realise that such a culmination can become possible only by committing oneself to hard work in one's Sadhana with unconditional love for God and by practising adherence to the Truth!

- Bhagawan Sri Sathya Sai Baba

A NOTE FROM THE SECRETARY

Dear Patrons and Well-wishers,

As we complete the first half of the year 2022, I would like to take the opportunity to share my gratitude to all of you for your continued and growing support. During these 6 months, we have almost doubled the number of beneficiaries of Divya Prasada Seva (Night Hunger alleviation programme). We are in the process of getting houses built for poor needy families within the targeted timeframe of November 2022. The trust is also consistently helping identified needy families with monthly dry ration kits.

The Education wing, which has been providing scholarships to needy students, has now envisaged a large free-of-cost educational campus at Sri Sai Palle (Chinnakhandepalli near Thatipudi reservoir). This apart, a Notebook Drive, details of which are inside this edition, has been organized to help over 11,000 children in rural belts. To add more to rural development, RO plants are being planned in villages that have absolutely no access to potable water.

With the mobile medical van, we are able to conduct regular medical camps in rural areas to take healthcare to the gates of needy villages, benefitting thousands. Most importantly the rural women, who otherwise do not travel to health centers due to domestic chores, are now able to get themselves screened right at their villages. And most importantly, the free-of-cost comprehensive cancer cure hospital 'Sri Sathya Sai Divyaamritam' is fast progressing towards inauguration in November 2022.

Dear patrons, all this is not possible without your generous and heartfelt support. We thank you from the bottom of our hearts and pray that you get many more opportunities to serve the needy!

Wishing you all happiness, as we progress into the second half of the year!

Yours faithfully,

Dr. Kalyan Sarvepalli
Trustee & Secretary

MEETING WITH PRINCIPAL SECRETARY TO GOVT. OF ANDHRA PRADESH

Our team from Sri Sathya Sai Trust For Universal Welfare including Mr. Srinivas Boppa (President) and Dr. Kalyan Sarvepalli (Secretary & Trustee) met Sri Krishna Babu – IAS, Chief Secretary to Government of Andhra Pradesh Medical for Health, Medical and Family Welfare. He was briefed about the latest updates of the trust activities including the upcoming free-of-cost comprehensive cancer cure hospital 'Sri Sathya Sai Divyaamritam'.

Mr. GS Naveen Kumar – IAS, Special Secretary to Medical and Health Department also was a part of the discussion. The honorable government officials discussed in detail about various social welfare programmes that the trust can play a supporting role in.

THE CANCER HOSPITAL: A DIVINE GIFT TO HUMANITY

The team representing Sri Sathya Sai Trust For Universal Welfare met Dr. Umesh Mahantshetty, Director of Homi Bhabha Cancer Hospital and Research Center and discussed about various possibilities of collaboration for the upcoming 'Sri Sathya Sai Divyaamritam', which would provide succour to thousands of cancer patients absolutely free of cost. This upcoming state-of-the-art hospital will be inaugurated in November 2022.

Divine Drops Blood Donation Drive

Sri Sathya Sai Trust For Universal Welfare, on the occasion of World Blood Donor Day, had a successful drive of blood donation camp at Visakhapatnam. The life saving 'Divine Drops' of blood was donated by 62 selfless souls, that would help save 62 lives! We thank Amma Blood Center for the collaboration.

Honourable MLA of Visakhapatnam West Assembly Constituency Sri Gana Venkata Reddy Naidu Pethakamsetti (Gana Babu) and Honourable MLC Sri Madhav PVN graced the occasion and congratulated the team for their good work.

The blood donation camp started at 9:00 AM in a comfortable air-conditioned hall in NAD Kotha road in Visakhapatnam

The blood donors were provided with rose plants, a certificate of appreciation, a beautiful memento along with dry fruits salad, biscuits and juice.

Blood donation is one of the easiest and most impactful of "giving" to others. In our country where only 75% of blood demand is met, such blood donation drives are imperative to drive more blood supply to those in need. We hope this drive not only helps 62 people in need, but goes on to inspire all of us to regularly donate blood and help many lives in our lifetimes.

NOTEBOOKS DISTRIBUTION DRIVE

Sri Sathya Sai Trust For Universal Welfare is organizing a mega notebooks distribution drive in the 2 States of Andhra Pradesh and Telangana. This drive is an initiative of the Education Wing of the trust that is also engaged in building a free-of-cost residential education campus at Sri Sai Pale (Chinnakhandepalli) near Thatipudi reservoir near Visakhapatnam.

As a part of this drive, over 11000 needy students, especially those whose families are dependent on daily wages, are being identified in these rural areas. The Drive will happen in the month of July.

Let's light the lamp of education in a needy child's life!

SRI SATHYA SAI DIVYA PRAASADAM

On Swami's Birthday, November 23rd last year, another heart-touching humanitarian project was launched. Called the 'Sri Sathya Sai Divya Praasadam (Divine Housing)', 12 needy families, who do not have a roof on their heads, will now be recipients of Bhagawan Sri Sathya Sai Baba's Divine Protection. The 12 families, through this Divine Housing Project, will be provided with beautiful houses to stay. Each house will have a hall, a bedroom and kitchen covering an area of around 65 - 75 sq. yards. The beneficiary families are from a needy background, and thus will now have a permanent roof of protection that will allow them to seek respectable livelihoods.

SAI BUTTERMILK SEVA

Sai Buttermilk Seva that provided succour to the thirsty during the peak arid summer in Visakhapatnam and Vizianagaram areas concluded on the 15th of June.

The seva took place for almost 50 days, overall serving lakhs of cups of buttermilk. On the concluding day, tamarind rice (pulihora) was distributed to all.

The buttermilk seva brought smiles both to the volunteers as well as the beneficiaries. Some beneficiaries turned into volunteers in their free time. Some provided support in their capacity. Love was the reason as well as the end result of this seva.

We thank all our patrons, well-wishers, donors and volunteers involved.

DIVYA PRASADA SEVA (NIGHT HUNGER ALLEVIATION)

Uncertainty over a meal is an undesirable situation for anyone. In the case of our loving Madhukaris (beneficiaries) the uncertainty about their dinner meal in the evening is no more there for they are well assured of Divya Prasadam for dinner. And for our volunteers, their hearts are filled with satisfaction of serving and receiving love using food as a medium.

275 days have fast run by after the inauguration of the Divya Prasada Seva, where the main intent was to ensure that no one goes to sleep hungry. Over 120 Madhukaris across a couple of locations daily receive sumptuous and healthy dinner.

We thank all our patrons, well-wishers, donors and volunteers for their selfless support to this seva. We pray that there soon comes a day when no one will have to go to sleep hungry.

SWAYAM PAKA SEVA

Sri Sathya Sai Trust For Universal Welfare strives to support the needy by serving them in various ways and by creating livelihoods for them. Among various umbrellas of activities every month, Sai Swayampaka Seva is a vehicle used to reach out to needy families and support them with monthly groceries, to enable them to cook good quality food as per their convenience and desired quantity.

This makes the needy families overcome the need to reach out daily for food, and instead helps them plan a livelihood now that they are assured of food grains for a month. This month, 22 needy families across various areas in Visakhapatnam and Vizianagaram benefitted from the seva. The families include migrated labourers without ration cards and no access to government aid, those whose family elders have medical problems, needy single parents etc.

We thank you all for your active participation which has ensured support to such needy families.

WORLD ENVIRONMENT DAY

TOWARDS A SUSTAINABLE WORLD

Keeping the spirit of World Environment Day, when the team representing Sri Sathya Sai Trust For Universal Welfare visited the 'Homi Bhabha Cancer Hospital and Research Center', a few saplings were planted in the campus facilitated by the hospital team there. Our team interacted with Dr. Sumukhi, and had earlier met the Director of the hospital Dr. Umesh Mahantshetty, where they had discussed about possible collaborations for the upcoming free-of-cost cancer care hospital 'Sri Sathya Sai Divyaamritam'.

Sri Sathya Sai Divya Pallaki Mahotsavam (Divine Palanquin procession)

With the Divine Blessings of our Beloved Lord & Master Bhagawan Sri Sathya Sai Baba Vaaru, Sri Sathya Sai Divya Pallaki Mahotsavam was conducted on 24th June for this month, filling everyone with happiness and bliss! Over 70 people participated in the Divine event that is conducted every month in Visakhapatnam, and partook of Swami's Blessings.

The event started at 6:00 pm with Veda recitation, followed by Bhajans. The procession moved from Hanuman Mandir and passed through 9 streets of Rickshaw Colony & Ramchandranagar. Mangala Aarathi was offered at 8:00 pm at Hanuman temple. Divya Prasadam in the form of Pulihora (tamarind rice), juice & biscuits was offered to all bringing the delightful event to a close.
