THUS SPAKE THE LORD

Shivarathri is a day when one tries to establish friendship between the mind and God. Shivarathri makes one aware of the fact that the same Divinity is all-pervasive, that It is to be found everywhere.

- Bhagawan Sri Sathya Sai Baba

A NOTE FROM THE SECRETARY

Dear Patron,

We are very excited to announce the commencement of the year also brought with it the commencement of work on the second of the chain of free-of-cost cancer hospitals (Sri Sathya Sai Divyaamritam), which will be the first in the state of Telangana. Indeed your support and encouragement has helped us to quickly scale to start building the second hospital.

We also had a successful blanket drive during the winter reaching out to 2000 families in various rural, hilly and tribal pockets. Their warm gratitude indeed has encouraged us to only scale up our activities further and reach out to more deserving populace through a variety of service activities that would amply address their basic needs.

Dear Patrons, we once thank you for your continued support to help us serve the needy!

With Love,

Dr. Kalyan Sarvepalli
