## THUS SPAKE THE LORD

Today, thousands of people have gathered here. What has brought them together here? Love is the main cause. Without love, few of you would have come from such distant places (cheers). How does this love express itself? It is a process of give and take. You have to receive God's love, and you have to offer your love. But both are one and the same love. God's love is reflected in your bodies. That is the meaning of the Gita declaration: "A fragment of Mine is present in everyone in the cosmos."

- Bhagawan Sri Sathya Sai Baba

# Ganapathi Homam, Dhanvanthari Homam and Mandala Pooja

The first rays of the morning sun seemed to kiss the divine land of Sri Sathya Sai Divyaamritam at Sri Sai Pale. With the 97th Birthday of Bhagawan just a day away, the place was abuzz with activity.

The day started with the auspicious Ganapathi homam. Lord Ganesha, in the form of a beautiful wooden vigraham, brought joy to the devotees. This was followed by Dhanvantari homam. Lord Dhanvantari, the divine doctor of Vaikunta, was paid obeisances in the form of the homam to help restore health for all patients visiting Sri Sathya Sai Divyaamritam (cancer hospital).

Post these two homams, a mandala abhishekam was performed to Lord Lakshmi Narasimha at the recently inaugurated Prahalada Varada Lakshmi Narasimha Swamy temple in the precincts of Sri Sathya Sai Divyaamritam. The Mandala Pooja has been performed for 41 days at this Holy Narasimha Kshetram of Prahalada Varada Lakshmi Narasimha Swamy temple.

# Veda Vidwan Mahasabha

The proceedings on 22nd November, the eve of the holy 97th Birthday swiftly shifted gears after the auspicious Ganapathi and Dhanvanthari homams.

Bhagawan Sri Sathya Sai Baba out of His infinite Love and compassion for humanity, willed to continue to shower His Benedictions of the Highest Grace by replaying His Story of yester-times amidst the beautiful salubrious picturesque lands adorned by lush green meadows and pastures across the Thatipudi reservoir in its Divine form-SRI SATHYASAI DIVYAAMRITAM - a Unit of Sri Sathya Sai Trust for Universal Welfare.

By Swami's Grace, the people who were chosen to be at this Holy Abode on November 23, 2021 for the Bhoomi Puja and again on the occasion of Guru Pournima in July 2022 were pleasantly surprised, as well as those who visited now for the first time were awestruck, at the progress made. This Divya Bhoomi which now is designed to be a unique charitable Healing Center prepared itself to shower the Divine nectar in every possible way.

The premises of Sri Sathya Sai Divyaamritam was prepared to welcome great spiritual minds and monks of various orders across exemplary spiritual organizations to the Veda Vidwan Mahasabha.

The Veda Vidwan Mahasabha was started by Swami on April 1, 1963 at Rajahmundry on the Sri Rama Navami day. Veda Samrakshana and Vidwat Poshana continue to occupy an important position in the objectives of His Avatarhood that descended for facilitating the Ascent of Man more than Nine decades ago.

Amidst Veda mantras and chanting led by His children, Swami stepped into the Sai Chaitanya hall that hosted the Veda Purusha Saptaha Jnana Yajnam earlier during the Dasara celebrations. The hall was ideally customised with traditional alamkaaram (decoration) to match the occasion that instantly took the luminaries invited to a blissful state. These include veterans from various renowned missions, who have been selflessly serving the region.

These included several eminent spiritual leaders like Sri TL Narasimharao, Yoga Consciousness Trust, Visinagiri, Swami SwaSamvedyananda of Sri Rama Krishna Mission, Sri Satyadev Guru, follower at His Master's EK Foundation, Mataji Tyagamayananda Bharati from Sadhu Mahatma Ashram, Swami Vasudevananda ji from Bengaluru, Master UAVN Raju from Jagadguru Peetham, Vizianagaram; Swami Raghuveerananda from Chinmaya Mission, Ukku Nagaram, Visakhapatnam spearheaded by the Veda Maatha itself.

1. Yogi Narasimharao urged upon seekers to engage themselves in meritorious actions that earn them Punyam. He also urged the need to earn Anubhava Jnanam that would enable them to sail through difficult situations and challenging times in Life. He took the opportunity to highlight the 5 mothers that one should adore to adhere to Dharma - viz., Veda Maatha, Bhoo Matha; Desha Maatha, Ganga Maatha and Go Maatha

2. Swami SwaSamvedyananda of Sri Ramakrishna Mission prescribed that one should tie up oneself in Nishkama Karma emphasising that service offered bereft of love is useless. He also made everyone aware that identifying oneself with the body claiming doership does not result in any individual transformation. It is in one's own interest that one follows the Niyama of Ishwara Pranidhaanam, the inner voice or the conscience.

3. Sri Satyadev shared his experiences with Swami at Puttaparthi and likened his experience at the Abode to the one at Prashanti Nilayam.

4. Amma as she is fondly addressed, Maata Tyagamayananda Bharati instantly got connected to Swami and recalled an experience with Swami. Recalling His words at Vyaasasramam she recalled Him having said to her "Mee Vooru vadalte gaani Maro Vooru Cheralevu" (You cannot reach another town unless you leave your town). She said she was reminded of and could recall the long forgotten message and understand the message implied by HIM then as soon as she sat in the Chaitanya Hall when instantly she had His Darshan in the present body! Her joy knew no bounds and went on expressing the discovery of the meaning of the Mantra she received from Swami decades ago.

5. Another scholar took the opportunity to describe the Panchakshari Mantra 'Om Namah Sivayaha' and emphasised the need to sacrifice saying that neither actions nor people can confer immortality.

6. Master UAVN Raju described how his encounter with Swami in the current phenomenon helped him identify Swami instantly.

7. Swami Vasudevananda underlined that salvation is possible only by Loving all and serving All as advocated by Swami. Highlighting the essence of 18 Puranas, he urged everyone present to 'Help ever and hurt never'. This way, he said, one could start experiencing God in all.

8. Swami Raghuveerananda of Chinamaya Mission from Ukkunagaram spoke about the need to adopt Para, pashyanti and Madhyama types of speeches according to the situation and also highlighted the benefit of chanting Lalita Sahasranama.

9. Our beloved Swami in His inimitable Loving way enlightened everyone that like the Gomaatha whose udders are full frantically waiting to feed the calves, He is also eagerly waiting for His children to seize the opportunity to acquaint themselves with the Atma Jnana.

Swami told that the essence of Santhana Dharma has not been understood properly and has been misinterpreted by relating to religion. Sanathana Dharma indeed has no bearing with any religion. He said Veda Samrakshana and vidwat poshana continue to be one of the major lakshyaas of His descent in the ongoing Avatarhood.

# Bhoomi Pooja of the Staff Quarters by Hon. Min. of Education

After a sumptuous lunch prasadam after the Veda Vidwan Mahasabha, the residents of Sri Sai Pale and other surrounding villages did not budge for they were waiting for the next glorious programme - Bhoomi puja of the Staff Quarters, blessed to be constructed for all the chosen ones that would be serving at the Divine hospital.

As the evening approached, the local area's MLC, MLA, the District Collector, and the RDO local Panchayat administrators all trickled in one by one for the Bhoomi Pooja which would be graced by the presence of Honourable Minister of Education of Andhra Pradesh, Sri Botcha Satyanarayana. The Hon. Minister of Education of Andhra Pradesh arrived and did not leave a minute of his time under-utilised, for he scented the Divine presence in abundance. With great respect for the selfless cause of free treatment of Cancer patients he looked in all directions admiring the progress of the divine project. These massive projects, that are an offshoot of Swami's Love, would have been undreamt of by the people in the region.

The Hon. Minister was then ushered into the place where the proposed Staff Quarters will be built. He took keen interest in understanding all details and performed the Bhoomi Pooja. In the meeting held thereafter, the Hon. Minister thanked Swami for bringing a Charitable Cancer hospital which is the need of the hour for the people in the region and promised all administrative support to the noble cause. The local MLA, MLC and the District Collector also offered their obeisances to the Divine Master and pledged their wholehearted support to the noble cause of providing cancer treatment at zero cost to the patients.

In His own loving words, Swami appreciated the Hon. Minister and all the dignitaries for giving their time to the cause and reiterated that all services in the hospital will be provided absolutely at no cost to the patients irrespective of their caste, creed, religion or place. Swami also said that the services, which would be rendered with Love, are sure to fully cure the patients

# 23rd November Morning (Birthday)

## Proceedings & Inauguration of OPD Block

The glorious 97th Birthday arrived. Devotees were waiting for this most blissful occasion to celebrate their Divine Mother's Birthday. The Lord's beautifully decorated Car arrived in swiftly at Sri Sathya Sai Divyaamritam premises. Swami blessed all with an initial glimpse to His Children as devotees had arrived from all corners of the country as well as from abroad, from Far East and West with the hope of experiencing His Love that they feel they had missed out in their earlier part of life. These are the ones who seemed to have cursed themselves for having not been to Puttaparthi in those years when Swami moved amidst everyone, in less than 3 ft distance from the devotees, doling out beautiful enchanting darshans for all with His Majestic grandeur.

The Devotees who eagerly awaited His arrival were jubilant on hearing that their Master would take an aerial route to give His Darshan to all devotees. Suddenly the sacred land adorned perfect silence. The weather, breeze, light all were in unison with each other. The decoration too was absolutely a treat to the eyes. Swami then went to the Helipad outside Sri Sai Palle to fly in the helicopter across the sky above the Divine land of Sri Sai Palle. He profusely blessed the devotees who were standing below and waving at Him. Of course, our age never interferes with the fact that we are His young children forever! Swami lovingly blessed many with the most opportune photo session once the helicopter landed. It was interesting to see that even the pilot and the staff involved took turns eagerly to take pictures with their Lord that their next generations could boast of!

Swami's Convoy of cars returned to the hospital site where the OPD block inauguration was to take place. The Avatar of the Age was welcomed with Poornakumbham by His devotees and with local people dancing and singing to their hearts' content. Indeed, their innocence and love for the Lord was admirable. Sri Sathya Sai Divyaamritam, a boon granted by Sai Maatha (the Veda Maatha) to be a Divya Bhoomi (the Bhoomatha) is now designed to be a Healing Center in the lap of the Desha Maatha with Thatipudi reservoir providing the life sustaining resource across its location as the Ganga Maatha and accommodating in its bosom the Gomaatha, prepared itself to shower the Divine nectar in every possible way on the 97th Jayanti Mahotsavam of Bhagawan Sri Sathya Sai Baba varu. The Lord had already willed by then that He would offer the Poornaahuti into the Ganesha Homam and the Dhanwantari Homam that commenced the previous day. Offering Poornaahuti meant transporting all the offerings to the intended Gods through the Fire God as stipulated in the Vedic procedure.

Bhagawan immediately proceeded, after the Poornahuti, to the OPD Block, where He was received with garlands and flower showerings. Vedam was being chanted all the while in parallel. There were a set of devotees from the farther lands who showered praises on the Lord through heart-touching bhajans and tears of joy. Indeed, two eyes were not enough for one to enjoy the Glory of the Lord's Birthday Celebrations. Love was raining and flowing all around. As the Lord reached the steps of the OPD block, He was welcomed by guests and devotees, who prayed to Him to inaugurate the grand humanitarian project of free-of-cost comprehensive cancer treatment facility - Sri Sathya Sai Divyaamritam!

The blessed moment arrived. Managala Vadhyam got divinely intense amidst claps and smiles of devotees when the Lord conducted the inauguration at the most auspicious time! Indeed, this is an auspicious occasion for humanity for the hospital will be a succour-providing mother's lap for all cancer affected patients. The Lord declared that everyone who comes here for treatment will go back hale and healthy - such was His Divine Will! The Lord took a tour of the OPD Block's structure and blessed everyone involved in this gigantic effort. The whole area no soon was thronged by not just these residents of Sri Sai Palle but from across surrounding towns and villages as far as 60km away. Doctors, para medical staff, devotees from various places across the country and abroad thronged the holy Abode while the plaque was unveiled and the OPD block was inaugurated in the Divine Presence by Shri Raghuraj., the local MLC and his wife

Sri Sathya Sai Divyaamritam designed to house 100 beds for cancer treatment and 30 beds for dialysis along with a research institute absolutely at no cost to patients is a unique hospital of its kind conceptualised by Swami at Sri Sai Palle for the people of the backward tribal region that covers three districts of Visakhapatnam, Vizianagaram and Srikakulam.

The joy of the residents of the villages knew no bounds for they would not have even dreamt of such a development in the region. When Swami met them on the occasion of Sri Ramanavami earlier in the year, they couldn't believe their ears. Why should anybody come and talk about taking care of their Aarogya- health, akshara-their children's education, aahara-their hunger? The medical camps conducted, the food distribution, the speedy development of the project site, the construction of the beautiful temple and their hands on involvement joining hands with their Selfless compassionate and loving Master have brought them very close to the Supreme Lord. Now with God by their side, they realised the impossible is possible!

It was now time for the Birthday Programme. The stage was filled with dignitaries including the honourable MLC, the architects involved, doctors etc. After lighting the lamp, Swami ascended the Dias along with the Chief Guest and others. 'Swami's Squirrel (Ever At Your Command, Swami)', a book authored by Dr. Kalyan Sarvepalli was launched by the Chief Guest.

Shri Raghuraju, MLC spoke at ease for none in the congregation was a stranger to him and every inch of the locality has been familiar to him since his childhood. He relished every word that he uttered with full of Love and gratitude for the Master and sought His Blessings for the people of the region for all times to come. He also assured his total support for all the selfless work going on for the gigantic projects and thanked Swami for choosing the region for establishing SSSDA and offered his full support. He also applauded the pace at which the Holy Abode was prepared for the inauguration of the OPD Block within such a short time.

The session wore a further delightful look when the Ex Member of Parliament Smt Botsa Jhansi Lakshmi, fondly addressed by one and all in the region as Amma (mother) joined the proceedings. She addressed the gathering by offering her gratitude to Swami. She said that she experienced something very divine as she entered the project site and thanked Swami for giving her an opportunity. Every syllable that she spoke was uttered with purity straight from heart and was aimed at seeking the welfare of the people of the region. She also offered prayers to Swami for the all round progress of the Nation and Universal welfare.

Swami then addressed all those present as embodiments of Divine Atma and expressed that His Heart was full with Love amidst the children. He thrilled everyone by saying that the day indeed was their birthday and not His. He also enlightened to everyone's amazement that indeed every day is a birthday for everyone and that everyone should strive to do something good everyday worth recalling. Saying "Good days are yours when you treat others as God", Swami at the end went on to say "What we offer to God is ephemeral, What He gifts to us is eternal". He concluded His Divine Discourse urging upon everyone to share Love, work unitedly and live in Harmony.

The Lord gave a proximate Darshan to all the many hundreds of devotees seated in the Birthday Celebrations Hall. While interacting with all with a few words, He blessed everyone with chocolates to celebrate the Divine occasion. The Lord also distributed gulab jamoons to devotees on His Way out, after the Mangala Arathi, at the end of the morning's proceedings. Everyone was then treated to a large menu of delicious Divya Prasadam bringing the morning session to an end!

# 23rd November Evening (Birthday)

## Proceeding

The wondrous morning proceedings of Bhagawan Baba's Birthday including the glorious inauguration of the OPD Block of Sri Sathya Sai Divyaamritam, the free-of-cost cancer facility, kept everyone in bliss. It was time for the evening session where Swami Vasudevananda enthralled the audience with a humour-filled talk that distributed spiritual treasure, by the topic 'Key to Liberation'. The cheerful session was then succeeded by a musical programme by Smt. Madhavi Krishna and team. The All India Radio artist, who also performs often at the Tirumala Tirupati Devasthanams sang songs like Bhagawan Puttina Pandiga, Jagamele Paramatma Sai Janma Janma bandham ide Sai, Madhura Mohana Sundara Sai that touched everyone's hearts.

The audience were in for a treat when His Holiness Sri Saravana Chaitanya Swamiji joined the evening. He extolled Swami through mellifluous bhajans and songs. Explaining how His Holiness Swamiji was a devotee of Bhagawan Baba since PuttaParthi days, he reminded everyone about how fortunate we are to be at Bhagawan's Lotus Feet on this most important occasion of the 97th Birthday Celebrations.

Swami, in His Divine Discourse for the evening, drove home the message that along with "Follow Me (i.e. following Swami)", one must also wholeheartedly consider everyone as their family. Thus, following Swami's example and considering everyone as one among our family will lead one to the great spiritual heights.

Swami cut the various cakes placed for His Birthday Celebrations, which was followed by mangala arathi. It was mixed emotions for all as they headed for Divya Prasadam. It was a glorious day in history of the Avatar while it was also the last session of the

Birthday celebrations. Devotees, who came for Swami's Birthday celebrations, were emotional that they will have to take the leave their Divine Mother, albeit temporarily, as the elaborate grand celebrations came to an end! The hearts prayed for one more opportunity in the Divine Presence!

# BLOOD DONATION DRIVE

Sri Sathya Sai Trust For Universal Welfare organized, on 19th November 2022, a blood donation drive as a part of the grand 97th Jayanthi Mahotsavam of Bhagawan Sri Sathya Sai Baba, at Sri Vivekananda junior college in S. Kota mandal in Vizianagaram. The youth turned up in large numbers to support the blood donation drive!

# SAI SWAYAM PAKAM

## DRY RATIONS FOR NEEDY

Sai Swayampaka Seva is an initiative to support needy families and motivate them to seek improved livelihood. Under this initiative, the trust supports them with monthly groceries to enable them to cook good quality food as per their convenience and desired quantity. This makes the needy families overcome the need to reach out daily for food, and instead helps them plan a livelihood now that they are assured of food grains for a month.

This month, 22 needy families across various areas in Visakhapatnam and Hyderabad benefitted from the seva. The beneficiaries include families whose breadwinners are unable to make ends meet, or where the children are physically challenged, or those of some migrated labourers with no ration cards or access to government aid, and of those whose family elders have medical problems, or of needy single parents etc.

# SEWING MACHINES FOR WOMEN

## WOMEN EMPOWERMENT

Sri Sathya Sai Trust For Universal Welfare has been led by the twin values of "Serve The Needy" and "Create Livelihood". The service activities thus always not only ensure to help alleviate the suffering of the needy in the short term but also provide a stepping stone that would help bring in a long term benefit.

In its constant endeavour to thus help women to eke out a livelihood, the trust recently performed a women empowerment led 'Sewing Machines Drive' where 9 women in various needy families were provided with sewing machines to support themselves and their families.

The team conducted due diligence while reaching out to the beneficiaries. The beneficiaries include single mothers with dependent children, needy families unable to make ends meet, needy families where the male members were unable to earn etc. We believe this drive would help these families towards a better future.

# ENABLING DIFFERENTLY-CHALLENGED

As a part of the holy celebrations of Bhagawan Sri Sathya Sai Baba 's 97th Birthday, Sri Sathya Sai Trust For Universal Welfare will be reaching out to 50 Divyangs, over the coming days, with equipment (wheelchair) that would help them become more self reliant.

The distribution started on 18th November, the start of the weeklong glorious celebrations of Bhagawan Baba's 97th Birthday! As the best way to celebrate His Birthday would be to follow the path of selfless service set by Him, we thank everyone involved in supporting this noble cause!

# GLOBAL AKHANDA BHAJANS 2022

Bhagawan Baba has often told that the main message driven by Global Akhanda Bhajans is that one has to be in constant contemplation on God during all three states - the waking, dream and deep sleep.

With Bhagawan Baba's Grace, the Global Akhanda Bhajans was conducted for 24 hours, from Saturday (Nov 12) 6PM to Sunday (Nov 13) 6PM, at the premises of the Sri Sathya Sai Divyaamritam - the free-of-cost cancer treatment facility, at Sri Sai Pale near Thatipudi reservoir close to Visakhapatnam.

The divine atmosphere became fully charged with love and devotion by the mellifluous bhajans and yearning calls to the Lord through His thousands of Names. As the Global Akhanda Bhajans came to a conclusion at 6PM, everyone was filled with gratitude to Swami for giving the golden opportunity to be in His Divine Presence in the first Global Akhanda Bhajans held at Sri Sai Chaitanyam Hall in the Sri Sathya Sai Divyaamritam premises.

# SAMUHIKA NARASIMHA MANTRA JAPAM

A couple of weeks before the inauguration of the OPD Block of the free-of-cost cancer treatment hospital Sri Sathya Sai Divyaamritam, a Mass Chanting of the most auspicious Sri Narasimha Mantra was organized all day on November 9th from 10AM to 5PM in Sri Sathya Sai Divyaamritam premises.

Lord Narasimha, in the beautiful temple of Prahalada Varada Sri Lakshmi Narasimha Swami temple that was recently inaugurated on Vijayadasami day, adorned a special alankaram. Divya Prasadam (lunch) was served to all.

# RO PLANT INAUGURATION

## SRI SATHYA SAI DIVYA JALAM

Bhagawan Baba, out of His Love for the rural populace that do not have a regular access to drinking water, inaugurated a RO Plant in the village of Ganivada in L.Kota mandal, under the umbrella of Sri Sathya Sai Divya Jalam.

With this inauguration that happened during the 97th Birthday Celebrations of Bhagawan Baba, the villagers will be able to get daily access to free-of-cost drinking water right at their village.
