SRI SATHYA SAI TRUST FOR UNIVERSAL WELFARE  
WISHES

*Happy Teachers Day*

The profession of a teacher is the most responsible one in every country. If the teacher must make every effort to live your life uprightly. children so innocent that they have no knowledge yet of the world and its ways. It is only when the teacher himself is wedded to discipline and observes good habits that his pupils will be able to shape themselves into ideal individuals and citizens - Baba

## THUS SPAKE THE LORD

Service is the highest spiritual discipline. Service has a double effect: it extinguishes the ego and gives bliss. The joy one gets while promoting another's joy is incomparable. Service is the first step along the spiritual path. Hands that serve are holier than lips that pray.

- Bhagawan Sri Sathya Sai Baba

# A NOTE FROM THE SECRETARY

Dear Patron,

The month of September wore a festival fervour with the blissful celebrations of Sri Krishna Janmashtami and Sri Ganesha Chaturthi across the Nation. It is a call for us to see the Divine in all, and help everyone, especially the needy, to celebrate in their lives with prosperity!

The month of September is also special for another reason - the Divya Prasada Seva, the night hunger alleviation programme, clocked the completion of 2 years with the able support from your kind self! The chain of free-of-cost dialysis centers Sai Soukhyam has also been expanding its reach to the needy with increasing growth in procedures being performed.

Dear all, we thank for for your generous support and encouragement, thereby enabling us to reach out to more needy. We shall soon see the day when everyone in the world is free of suffering!

With Love,

Dr. Kalyan Sarvepalli  
Secretary and Trustee
