NEWSLETTER - SEP 2021

THUS SPAKE THE LORD

On an occasion, Swami explained that one should have strong belief that with Swami's Grace one can cross over even the mountains and surmount them. Swami assured that the required abilities would be showered upon the one who has such a belief.

With humility and love, we offer to our dear Lord the following activities in September 2021 that were inspired by Him and done by Him using us as His instruments.

MADHUKARI SEVA

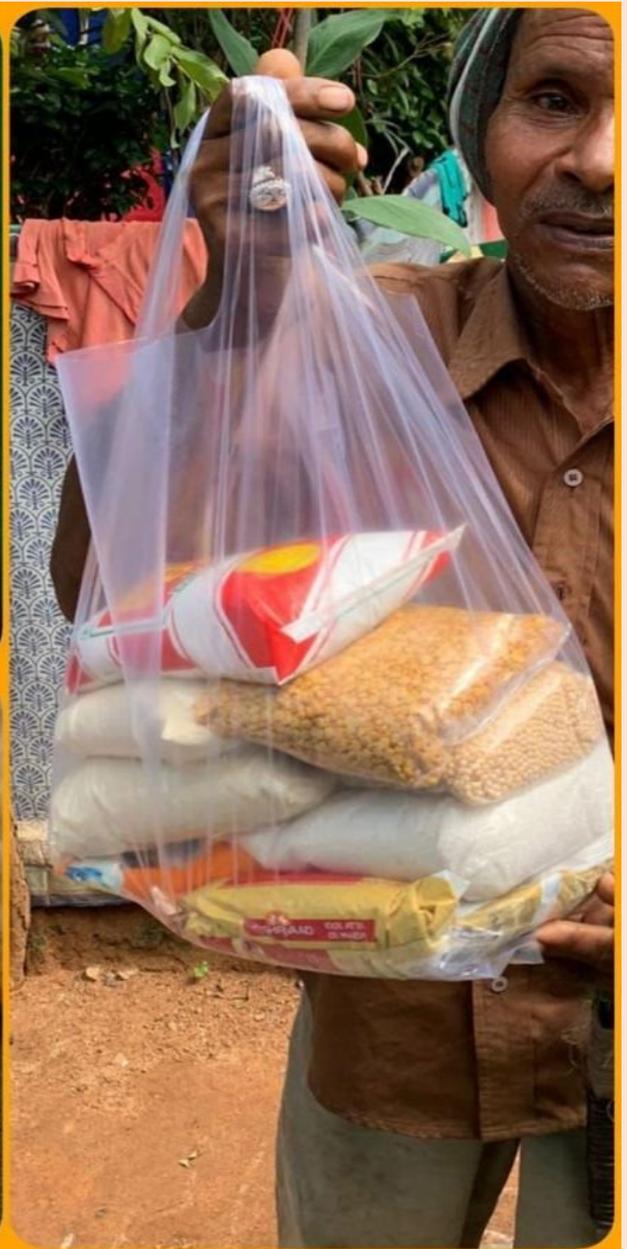

With Swami's Guidance and Blessings, some homeless people including those who have no one to take care of were identified. Beyond just leaving them with a meal, this activity is about providing an overall 'facelift' to the homeless, thus building confidence in them. In this seva, the homeless are helped provided with haircuts, nails trimming, a shower in a facility, etc. Finally, they are provided with new sets of clothes to wear giving them not only external cleanliness but internal confidence as well.

Here are some pictures from this month's Madhukari Seva.

Sai Swayam Paka Seva

With Swami's Guidance and Blessings, dry ration kits called as Sai Swayam Paka sets were provided to needy families. With this, the families will be able to cook their own food for themselves. These families cannot afford to buy enough food grains and groceries for themselves, as they are not able to make their ends meet through their dwindling livelihood.

Divya Prasada Seva

Divya Prasada Seva refers to satiating of needy and homeless' hunger, especially at night, since food availability to the homeless and needy are not easily available to them as the day ends. The food prepared is pure as the Neivedhyam (Food offered to God) that is distributed to the beneficiaries as Divya Prasadam. Divine Food ensures clean thoughts and peace of mind.

Sai Scholarships

Through this initiative blessed by Swami, underprivileged students are being provided with refurbished laptops to enable them to attend online classes.

The COVID-19 pandemic caused immense damage to livelihood of the society. Needy school children who could not even afford a smartphone were left in the lurch.

Moving forward, with Swami's Guidance, the team is looking to gather laptops for the students who are in dire need of it.

Cyclone Relief in Vishakapatnam

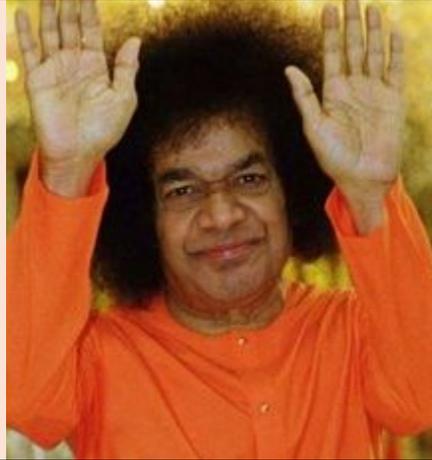

During the flood like situation in urban as well as rural areas in Vishakapatnam, the team, with Swami's Blessings, rose to action to help needy families with cyclone relief.
